## The Master's Keys

***We're wrapping up our study in Hebrews this weekend. If you take nothing else with you – remember the call to persevere. God has uniquely called and destined you for glory. To be a reflection and manifestation of His glory here in this world – and in the world to come; co-regents with Him on the throne; given the keys of the kingdom.***

***But far too often, we've been content to simply muck it out in the mud-puddles of life instead of stepping into our destiny. I believe if we could glimpse just a brief view of the glory for which we were created, it would astound and shame us all at once. Astound us at the grace and mercy of a loving God – and shame us that we were still so far short!***

***It's time to step into your destiny. The keys are in your hands....what are you doing with them?***
