

LA Dream Center Application

In Spring Break of 2010, WPC youth will be sending 2 bus loads of volunteers to work with the Dream Center of Los Angeles in their ministry to the homeless and urban poor of the city. The trip goes from Thursday, March 11th to Sunday, March 21st. We need mature young people who love to work hard, get their hands dirty, love people and love Jesus who want to go on a trip that will change their lives forever.

If this is something that you'd like to be a part of, then we would love to hear from you. It doesn't matter if you went last year - we still need you to apply...

We might not be able to take everyone, so please answer the following questions in an essay (typed, 12 point font, with paragraphs and real sentences) of 250 words or less, and try to demonstrate the following.....

- That you have a deep love for Jesus and you are actively growing and learning in your journey with him
- That you have a desire to serve him in a tangible way
- That you have a lifestyle that shows Christian character
- That you like to work in a team, know how to respond to authority.
- That you have a teachable spirit.
- That you have an ability to work hard, follow directions and adapt to a changing environment
- That you can be a "team player."

Each team member is required to contribute \$275 dollars of personal support, as well as participate in all training events and the auction on May 16th and sell 8 tickets

If this whole idea rings your bell then please complete the application essay and return it to Tom Longman than Wednesday the 10th of February.
